EXPERIENCE

TCNJ Center for Global Engagement, Ewing, NJ

Graphic Design and Web Assistant, October 2020 - Present
- Contributed to website redesign by recommending new techniques, layout designs and documenting consistency errors in order to improve website cohesiveness.
- Developed branding materials to further the center's social media presence by creating enticing graphics, social media posts and redesigning the Center's logo.

TCNJ Tutoring Center, Ewing, NJ

Computer Science and Interactive Multimedia Tutor, August 2019 - December 2020
- Provided tutoring services to students experiencing difficulties in Interactive Multimedia and Computer Science classes with topics such as object oriented programming and web design/development.
- Modeled and demonstrated appropriate studying and organization skills in order to ensure improved academic performance.

Alpha Phi Omega, Ewing, NJ

Fundraising Vice President, December 2019 - December 2020
Webmaster, August 2019 - December 2019
- Developed and deployed a website for the chapter. Website is utilized as a tool for information dissemination such as explaining chapter bylaws, detailing committee roles and responsibilities and outlining all chapter events and requirements for members.
- Scheduled 20+ fundraising events, presented at weekly meetings and recorded all funds raised by the brotherhood.

Camp Veritans Day Camp, North Haledon, NJ

Senior Counselor, June 2016 – August 2019
- Provided oversight for campers, ages 6-14, including camp activities and weekly excursions. While leading activities such as field trips, games, and sports in order to ensure a rewarding summer camp experience.
